

# DINO DEADLINES

## EVEN DINOSAURS HAD DEADLINES!

A prehistoric planner to crush procrastination with the power of tiny steps.

### Goal/Project:

It looks HUGE. I know, But even T. Rex had to take one bite at a time.

Task 1: \_\_\_\_\_

Task 2: \_\_\_\_\_

Task 3: \_\_\_\_\_

*"It looks HUGE, I know, But even T. Rex had to take one bite at a time."*

### 3. Think Like a Dino Detective!

Check any that feel true, or add your own!

- It feels boring
- I'm scared to mess it up
- I don't know where to start
- I'd rather be doing something else

### 1. Start With the Toughest Leaf First!

Which task feels hardest or most annoying? Circle it

Draw your power pose dino here ☹️..

You got this. Even 65 million years ago, dinos didn't have everything figured out in one day.

### Optional Bonus: Dino Doodle Your Progress!

Each time you finish a task, draw a fossil, egg, or tiny dino to celebrate. You're building your own museum of momentum!
